During the day:

With all of the exciting facility improvements happening at TELUS World of Science, Science World will be running portions of its Summer Science Camps out of the Creekside Community Centre (in the Olympic Village). Summer Science Camp students will still spend time daily at TELUS World of Science, enjoying the exhibits and shows, but will retreat to classroom space at the recreation centre for hands-on projects and experiments. The recreation centre is just a short stroll away using the seawall pedestrian path.

Picking up your child:

Please drop off and pick up your campers at the entrance to our building, adjacent to the bike rack. Look for staff and signage to direct you.

Drop off time: 9:00am

Pick up time: 4:00pm

On your first day of camp be sure to pick up your parking pass that will allow you to park and drop off and pick up your camper.

Please be aware that your signature is required each day to sign in and pick up your camper.

If you need to reach your child during the camp day, please contact the **Membership Office at Science World at 604.443.7510.**
