

Scientists & Innovators in the Schools

K-7 REQUEST FOR A VISITING SCIENTIST

The *Scientists & Innovators in the Schools* program sends volunteer scientists, engineers, technologists and technicians to classrooms throughout British Columbia to:

- provide hands-on science presentations;
- bring the excitement of science into elementary classrooms;
- open doors to the innovative world of science, technology, engineering and mathematics.

Scientists & Innovators in the Schools visits are **FREE** of charge thanks to our committed volunteers.

TO ENSURE AN APPROPRIATE MATCH, PLEASE PRINT CLEARLY.

Full School Name: _____

District Number: _____

Contact Name for School: _____

School Address: _____

School Phone: _____
