Can I add a special message to my tile?

Yes, your donation towards any Leave Your Mark tile allows you to add a special message. Donors can choose to customize their tile with either a typeset message or a picture that they draw themselves.

How long will it take for my tile to be created and mounted on a plinth?

Each tile is made to order and hand crafted by Interstyle, a glass manufacturing company in Burnaby, BC. It takes approximately 3 months for a tile to be crafted and mounted on one of the plinths within the Ken Spencer Science Park. We will notify you when the tile is ready.

How do I find the location of my tile in the Ken Spencer Science Park?

When your tile is ready, we will send you an information package with a map and directions, so you will know exactly where to find your special tile, in the Ken Spencer Science Park.

Can I purchase a tile in honour of someone or to mark a special occasion?

Yes. Leave Your Mark tiles are a meaningful way to honor a loved one, celebrate a milestone or share a special message. Your purchase of a Leave Your Mark tile will help support science engagement and education for youth in Vancouver and across BC.

The tile will bear your name or the name of someone you choose to honour. Alternatively, you or the tile recipient can draw a picture that will be transferred onto the tile, during the fabrication process.

How long are the tiles displayed for?

The tiles will be displayed for the life span of the plinth within the Ken Spencer Science Park at TELUS World of Science.

Will I receive a charitable tax receipt for my donation to the Leave Your Mark program?
